

Photo exhibit put on display at Raue Center

CRYSTAL LAKE – The Friends of Chilama Photo Exhibit is on display at the Raue Center for the Arts throughout August.

The McHenry County community is invited to attend and enjoy the local talent who participated in the annual Chilama Photo Contest, in support of the rural poor of El Salvador. All photos submitted will be included in the exhibit.

Friends of Chilama is a McHenry County-based member of U.S.-El Salvador Sister Cities that sisters with the village of Chilama, El Salvador.

Funds raised through the photo contest support two projects: a regional health care project that is training women in Chilama and four surrounding villages to set up and run local preventive and emergency health centers; and a women's sewing cooperative.

The Raue Center is located at 26 N. Williams St., Crystal Lake. Exhibit hours are noon to 4 p.m. Mondays to Saturdays (closed Tuesdays).

For information about the exhibit or Friends of Chilama, call 815-455-3683 or email lib4paz@comcast.net.
