## Magic at Raue

**Date:** November 2, 2009 **Section:** Letters

To the Editor. This is a thank you to the **Raue Center** For The Arts for all the enjoyment I have been given over the past few months. Although I liked many of the performances, I believe that Lucy's Café has gone one step further in providing sophisticated entertainment.

I must particularly commend whoever was responsible for bringing Danny Wright and his magical piano-playing to Crystal Lake. Almost two hours of glorious melody in the relaxed atmosphere of the **Raue** stage, while sipping a favorite beverage, was a wonderful way to spend an evening.

Now I'm looking forward to the next offering that "Lucy" will be providing to Crystal Lake fans and their friends.
