**A Tribute to  
Tom Petty and the Heartbreakers.**

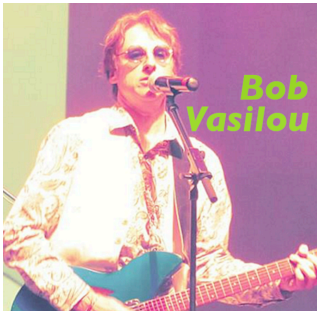

# The Petty Kings Unplugged

August 21, 2021

The Petty Kings are one of the premier tributes to Tom Petty and the Heartbreakers. The PK's put on a first-class show featuring tracks from the Heartbreakers' catalog and Tom's solo works as well as songs by the Traveling Wilburys. From Chicago, The Petty Kings envelop that great American Rock vibe that emanated from the heart of one of rock's premiere performers. The trio shows are full of energy and audience participation is welcomed.

## **Band Members:**

**Bob Vasilou** is a singer, multi-instrumentalist, and song-writer. He mostly performs as the lead singer and guitarist for the Petty Kings, but also performs as a duo with Jessica Hornsten, and as Roger McGuinn and Bob Dylan with Desert Rock and The Last Waltz tribute. He has lately been busy recording an album of original songs, under the band name "Rolling Numbers," which is soon to be released. Many of the same musicians from the Petty Kings perform on the album.

**Jessica Hornsten** is a versatile vocalist with a classical and musical theater background. When she's not singing with the Petty Kings or Rolling Numbers, you will find her performing in Deacon Blues, Big Suit, Golden Richards, or as Joni Mitchell in the latest SoundTracks Of A Generation shows Desert Rock and The Last Waltz. Jess has also performed in other SoundTracks tributes including The Mad Dogs & Englishmen Tour, Joe Cocker Tribute, Woodstock Era, The Soul Commitments and Summer of Love 1967. Recent venues include the Park West, City Winery, Navy Pier, and Buddy Guy's Legends.

**Dave Steffen** is the peoples' guitar player. Called the "Swiss Army Knife" guitar player for his ability to play different stringed instruments, or the "Parts Guy" for finding good guitar hooks, or "The Closer" for being able to adding soulful parts that elevate a band or song to a higher level, Steffen is a sonic presence that pulls you in! He is currently the lead guitarist for the Petty Kings and their original band Rolling Numbers. Steffen has played every bar in the Midwest and played on three different continents. There is power, purpose and soul jammed into every show and every note Dave plays!
